

**SHANNA (SHAN)
LARSEN
1981-2005**

In loving memory of our Shan who passed away on May 14th, 2005 following treatment for breast cancer. The magnolia trees were in blossom and the cardinals were singing.

*Shanna, like the sunflower,
kept her face to the sun
and saw the bright side of life;
If the sun did not shine,
she did not dwell on a few dark clouds;
In her heart she knew
the sun would come out again.*

*Shan was kind, patient,
hard working and thoughtful;
Her teaching skills, artistic talents
and inspiration will be missed.*

*Shan was gentle, caring,
easy going and cheerful;
Friends were the sunshine of her life
and Shan the sunshine of theirs.*

Goodbye sunshine
