

Shanna Larsen

1981 - 2005

Shanna's goals as a figure skating coach were to provide children with a new experience in a positive atmosphere, to provide children with the knowledge to achieve their skating goals, to encourage children to love what they were doing, and to always have fun.

Born on March 13th,
today we celebrate
Shan's love of sport!

Love, Mom, Dad,
Kris and Andrew
