

SHANNA LARSEN
1981-2005

Shan was born on
Friday, March 13, 1981.

It was predicted that she would
have good luck her entire life.
The prophecy was to come true
until 2005 when breast cancer
took Shan's life.

Today we celebrate her birthday
and the 23 happy years
we had with Shan.

Love Mom, Dad, Kris and Andrew
