

Shanna Larsen

1981-2005

Lifeguard/Swimming Instructor 1997-2005

Shanna, like the sunflower, kept her face to the sun and saw the bright side of life.

If the sun didn't shine, she did not dwell on a few dark clouds.

In her heart she knew the sun would come out again.

She was kind, patient, hard working and resourceful.

Her teaching skills, artistic talents and inspiration will be missed.

She was cheerful, charming, easy going and caring.

Friends were the sunshine of her life and Shan the sunshine of theirs.

Goodbye, Sunshine.
